

# Learning Links Pre-Prep Program 2026

Dear Parents/Caregivers

Tooradin Primary School is excited to offer our unique Learning Links program to our 2026 Prep students.

Following our 'Story Time' and 'Transition' sessions, Learning Links continues the transition of students from kinder to school. It assists the children to become comfortable in the school environment and familiar with some of the routines and expectations of school.

Learning Links is a play-based program offering a range of activities, songs, stories, drama and games. There is a strong focus on fine motor skills, literacy and numeracy skills, and social skills. The program helps build a rapport between staff and students.

Learning Links will operate on **Fridays** during Term 4 2025 as a half day class (Friday 17<sup>th</sup>, 24<sup>th</sup>, 31<sup>st</sup>, Oct & 7<sup>th</sup>, 14<sup>th</sup>, 21<sup>st</sup> Nov).

Children who **are enrolled at Tooradin Primary School for Prep in 2026** are invited to join in this program.

To enrol, please complete the form below, indicating your preferred session time, and return to school either via hard copy or email, as soon as possible. Whilst we endeavour to meet your first preference it is important groups are kept to an appropriate size for maximum student benefit. Sessions will be allocated according to date of receipt of Learning Links enrolment form. You will be notified early in September of your child's group.

Please do not hesitate to contact us if you have any questions or queries. We are excited to have next year's Preps join us for Learning Links.
